About the Workshop

This workshop to be offered by the “Human Rights Defenders' Memorial Institute of Human Rights Studies and Research”, academic and research wing on human rights of MANAB, an independent & non profit human rights organization, Asansol, West Bengal. This workshop aims to motivate young law students and make them skillful to stand up for human rights specially when others are not allowed to enjoy their basic human rights either by policy/action/inaction/negligence of the state and/or non state actors. There are various ways to respond effectively to a particular situation of human rights violation to ensure the enjoyment of human rights and/or to redress violation of human rights with special focus on as to how the National Human Rights Commission of India Could be used as an alternative and cost effective avenue for ensuring remedies the victims of human rights violation.

Objectives:

The workshop has the following specific objectives:

1. To enlighten the participants about human rights entitlements
2. To make the participants familiar with different ways of defending human rights-holders
3. To enable the participants to know the law and skill required to make use of National Human Rights Commission to defend/protect human rights.
4. To sensitize the participants about their human rights responsibility.

Workshop Module:

The Workshop will consist of the following Modules:

Module I: Human Rights Entitlement –30 Minute
